

OFFICES AND COMMERCIAL BUILDINGS

Plaza Ford, East Lyme, CT

ABCO Welding Headquarters, Waterford, CT

East Lyme Commons, East Lyme, CT

Norwich Orthodontics, Norwich, CT

STRUCTURAL ENGINEERING SERVICES:

- Coordinate design with architects, builders, owners, and building officials to create efficient framing and foundation systems;
- Ensure the building meets relevant state and local building codes;
- Design of structural framing and foundation systems;
- Preparation and drafting of structural framing plans, details, and specifications;
- Design structure to meet flooding and hurricane wind requirements in coastal flood regions;
- Review of steel, engineered wood, rebar, truss and other relevant shop drawings;
- Site visits during construction to verify proper construction practices;
- Responsive and accessible staff to quickly answer any questions during design and construction processes.
