

# STRUCTURAL CONDITION ASSESSMENTS

US Coast Guard Academy, Pt. Judith, RI

Drawbridge Ice Cream Shop, Mystic, CT

184 Pequot Avenue, New London, CT

88-98 Chestnut Street, Norwich, CT

## STRUCTURAL ENGINEERING SERVICES:

- Perform on site observations to assess the structural condition of existing buildings and structures;
- Perform structural analysis to determine the building's floor load capacity;
- Identify structural deficiencies or areas that may require preventative maintenance;
- Provide a written report summarizing the structural condition of the building;
- Provide pre-purchase due diligence assessments;
- Investigate feasibility of structural building modifications.
